Colds Do Not Leave Willingly

Because a cold is stubborn is no rea-
son why you should be. Instead of "wear-
ing it out," get sure relief by taking
Dr. King's New Discovery. Dangerous
bronchial and lung ailments often follow
a cold which has been neglected at the
beginning. As your body faithfully bat-
tles those cold germs, no better aid can be
given than the use of this remedy. Its
merit has been tested by old and young.
Get a bottle to-day. 50c and \$1.00. Adv.

The county court last week ap-
propriated \$100 each for the
stock shows at Mansfield and
Mountain Grove. This action is
most appreciated by our people
and shows the members of the
county court to be mindful of the
interests of their constituency,
for a stock show is of vital inter-
est to all the people of the coun-
ty.

"Jargo" left the county jail

his apple crop. He will have some
thing like 25 car loads of apples
of a very fine variety. Mr. Bur-
ney sprays and cares for his or-
chard well and in return receives
a splendid crop of choice apples
each year. His experience in the
apple industry, is conclusive
evidence that there is handsome
returns to be realized in the ap-
ple industry, where the orchards
are cared for. If farmers in this
vicinity would set out orchards
and give them a little time and
attention, it would be only a
short time until hundreds of cars
of apples would be shipped from
Ava over the K. C. O. & S. Ry. each
year.—Ava Enterprise.

HORSES NEVER SO MUCH IN
DEMAND AS NOW.

Missouri has never in all its history
been called on to supply such a quan-
tity of horses as in the past few
months. This means that with all the
plugs and inferior horses sold for
"cannon fodder" that the best is left
and that from these there will spring
the best breed of horses Missouri has
ever seen. At the state fair, Septem-
ber 25 to October 2, there will be
shown the best in horses that Mis-
souri affords.

MISSOURI AND MULES ARE
SYNONYMOUS AND IN-
SEPARABLE.

Missouri State Fair without mules
would be a travesty on the fame of
Missouri, as the home of the best
mules the world knows of. Every year
the best of these animals are seen at
Sedalia in competition with one an-
other. No single feature at the Mis-
souri State Fair from September 25
to October 2 this fall, unless it is the
saddle horse classes, will attract more
attention than the mule section.

Uncle Charlie Shreeve and his
good wife came up from their
home near Mansfield, Wright
county, last week to visit relatives
and renew old friendships at the
Exposition. Uncle Charlie had
on exhibition several varieties of
apples from the orchard of his
neighbor, Wm. Crippen, and they
were much admired. We are ad-
miring, a little at a time, the
mammoth sample left with us,
and 'tis very toothsome.—Cal
houn Clarion.
